## High Quality Care

We are proud to offer the highest standard of compassionate, person-centred care for adults living with complex physical and mental health conditions.

## A Committed Team

At Cherrybrook, our care is delivered by highly qualified staff, including registered nurses, experienced care professionals, and a multidisciplinary team working together to ensure residents receive the excellent care they deserve.

We care deeply about what we do and prioritise dignity and compassion. By considering the unique needs of each individual, we create a personally tailored plan that prioritises overall wellbeing. Our holistic approach encompasses medical care, nutrition, mental health support, and enriching activities.

## Comprehensive Care for Complex Conditions

We provide 24 hour specialist nursing care for a range of complex care needs, including:

- Complex Dementia
- Acquired Brain injuries
- Rehabilitation Needs
- Stroke
- Complex Mental Health Conditions
- Schizophrenia
- Borderline Personality Disorder

## Community Feel

Cherrybrook's smaller unit structure allows us to create a close-knit community feel. Our residents benefit from the companionship of familiar faces and a more intimate care experience.

## Connection and Comfort

Our home has been thoughtfully designed to create a place that feels like home for the people who live here. City-themed murals ground daily life in familiar local settings which can offer comfort and familiarity, while our experiential space the '**Cherrybrook Express**' offers an engaging train experience for those living with complex dementia.
